REMINDERS

To contain the spread of COVID-19 residents are reminded of the following:

- if you have symptoms of COVID-19 do not wait, contact your healthcare provider first. While home remedies may work for a while it is important to get tested and receive proper care before your symptoms become too difficult to manage.
- if you have been asked by the Surveillance Unit to get tested for COVID-19, remember to request the gold standard RT-PCR test.
- employees are encouraged to work from home.
